

BELLINGHAM COUNTRY GARDENS

www.bellinghamcountrygardens.com

Greetings, another season at Bellingham Country Gardens is approaching. Spring is now officially here. Our Seeds are ordered. Tractors and equipment have been repaired and prepared for the season. Now, as we await drier days and warmer soils, I invite you to consider your participation in the farm through a CSA membership, whether you are a return member or new.

The CSA membership at Bellingham Country Gardens offers you the freshness of the seasonal garden vegetables and the flexibility of gathering extra strawberries and specific vegetables such as beans and squashes and or pumpkins. This said there will be a change in the format of the program from previous seasons.

CSA members will receive ten weeks of delivered garden produce boxes. In addition you will receive Farm Credit of seventy five dollars to come to the farm to gather strawberries, pumpkins and or vegetables. This gives some more flexibility to cope with the oddities of weather that make farming and gardening interesting.

The cost of a CSA share will be \$275. We would appreciate your payment in April. If you prefer to divide the payments the second portion should be made in June.

Donna and Sam welcome your inquires and subscription.
